of nomination of the Vice President Hence
nothing can be done on the point

15 Regarding the second point, nominations are made to the three places in the Municipal Council showing preference to unrepresented Communities. As the Jain Members are reported to have been elected in large number there seems to be no justification to nominate a Jain Member
Ld. made

30/12/41 16 Two points are raised by the Swamiji of the Jain Mutt, Sravanabelagola They are (1) The appointment of a member from the Jain community to the local Municipal Council with the consent of the Swamiji and (2) the nomination of the Vice President of the Municipality in consultation with the Swamiji

17 In support of the first point the Swamiji cites the Endorsement No L 2687/M1 18-22-13, dated 2nd October 1922 In 1922 the Swamiji had asked for the representation of his Mutt in the Municipal Council of Sravanabelagola by 2 members including the Agent, on the analogy of the Sringeri Mutt However as a result of orders dated 19-9-1922 - Vide Minute of the Dewan and the Member in file M1 18-22-13 - nomination of one Jain Member in consultation with the Swamiji was conceded

15 With the passing of the new Act - Minor Municipalities Act, 1933, the privilege fell into desuetude as three places had been reserved for nomination to

the Municipal Council to ensure preference to the unrepresented minority community In addition, members of the Jain community are reported to be returned in large numbers even in elections This is the view held by the Deputy Commissioner in his report on this aspect of the Swamiji's contention The Deputy Commissioner concludes saying that the Sravanabelagola Municipal Council was last reconstituted from 1st January 1941 for a period of three years and that the question of nominating a Jain member in consultation with the Swamiji will be considered at the time of the next reconstitution

14 There is perhaps no help but to accept the Deputy Commissioner's view If approved, however, the Deputy Commissioner may be requested to keep the request in view, if any vacancy should arise in the meanwhile in the seats reserved for nomination

15 In support of the second point that the Vice-President of the Municipal Council should be appointed by Government in consultation with the Swamiji, Govt order No L 8959-60/M1 56-24-297 dated 22-6-1925 is quoted Prior to June 1925, the Municipal Council of Sravanabelagola was enjoying the privilege of electing its Vice President under the authority of G O No L 4544/M1 70-21-130 dated 10-2-1922 When this privilege was in operation, the Swamiji of the Mutt suggested for the grant to him of the privilege of nominating both the President and the Vice-President of the Municipality in return for the Swamiji's surrender to the Municipality of the whole of the Mohatarfa due to the Mutt from the Municipal limits Quite a good volume of discussion has centred round this question as may kindly be seen from M1 file 56-24-297

(1928)

At the time of the request, a bill to amend the Municipal Act was before the Legislature One of the provisions of that bill was to do away with the system of nominating the Vice-Presidents of Municipalities and make them returnable by election The request was however finally granted i e to nominate the Vice-President of the Sravanabelagola Municipality in consultation with the Swamiji in consideration of the latter's waiver in full of the whole Mohatarfa claim As will be seen from the discussions in the said Nil File 56-24, an amendment seemed to have also been considered to provide for an exception in favour of the Sravanabelagola Municipal Council only for nomination of Vice-president At a certain stage it has also been held that a new law of whatever each cannot take away a right which had been specifically confirmed and that on this view, the new law need not interfere with the concession granted to the Swamiji Somehow the said concession became a fait accompli

From the Deputy Commissioner's report, it would appear by inference that concession referred to was being enjoyed by the Swamiji till the promulgation of the new Minor Municipalities Act 1933 Either in the Act or in the Rules thereunder or in the Election rules, there is no provision for Government appointing the Vice-President save in cases where election does not come off or is refused Accordingly, the new election rules and the new Municipalities Act are the measures that now govern the election of Presidents and Vice-Presidents of Municipalities The Deputy Commissioner therefore holds that this request of the Swamiji for appointing a Vice-President with his consent is not capable of being considered he De-

Deputy Commissioner is no doubt correct in so far as the law and rules stand

The point however for consideration is whether the Swamiji has to lose his right, which he earned by a definite mutual understanding with the Government by a wholesale surrender of his claim for Mohatarfa his right seems to have been in the nature of a quid-pro-quo and also acquired indefeasibility On this point the Law Section may be consulted, if approved

According to the present provisions of the Town Municipal Act 1933 & the election only formed thereunder, it would not be possible to comply with the request of the Swamiji for enabling him to elect a nominee to the Municipal Council. It means an amendment of the existing Act and whether it is necessary to take up the amendment of the Act to satisfy the requirements of a single case of this type - which would be a departure from the law applicable to all other Town Municipalities in the State (no such thing exists in the case of larger Town Municipalities) is a matter for serious consideration by the

5) Though the written agreement executed by the Swamiji is not available, there can be no question of the fact of his having surrendered his right to the entire Mohatarfa in the Municipal limits In pursuance of this agreement the Vice President was being nominated in consultation with the Swamiji till the Minor Municipalities Act of 1933 was passed

6) The legal position is clear Both the parties are bound by the agreement One party cannot resile from performing his part of the contract even by resorting to the legislation referred to Either the Swamiji must be allowed to exercise the right given to him or the right to collect the Mohatarfa must be surrendered to him Section 10(4) of the Municipalities Act will have to be amended so that this ~~partial~~ particular Municipal Council may be deprived of the right to elect its Vice President.

To

Mr R.Venkataramaiah,M A.,LL B ,
Advocate, Nagarthapet, Bangalore City

Sir,

With reference to the petition dated the 12th October 1936 presented by you on behalf of Sri Charukeerthi Swami Pandita Charya Varya, Jain Mutt, Sravanabelagola, requesting that the nomination of one Jain Member and of the Vice-President to the Sravanabelagola Minor Municipal Council to be re-constituted with effect from 1st January 1937 may be made in consultation with the Swamigalu, I am directed to state as follows -

On the principle enunciated in Government Order No L 4973-5005/L B 26-26-163 dated the 28th February 1928 directing the abolition of Mohatarfa in all the villages in the State (Government, Inam and Jaghir), the Swamigalu has lost his right to levy Mohatarfa in his village

Although as per G O No L 8959-60/Ml 26-24-297 dated the 22nd July 1925 Government approved of the proposal of the Deputy Commissioner, Hassan District, to nominate a person proposed by the Swamigalu as the Vice-President of the Sravanabelagola Minor Municipal Council, it has not been found possible to enforce the same consequent upon the passing of the Minor Municipalities Regulation in the year 1933 as under Section 10(4) of this Regulation it is obligatory that the Vice-President is to be elected by the Councillors from among their members and there is no special power reserved to Government, to nominate a Vice-President except under Clause (5) of Section 10 of the Minor Municipalities Regulation, 1933 i e

in

in default of election The Government order of 1925 has thus become in-operative

Regarding the contention that as per endorsement No L 2687/Ml 13-22-13 dated the 22nd October 1922 issued to the Swamigalu one member of the Jain Community is to be proposed to the Sravanbelagola Minor Municipal Council by the Deputy Commissioner, Hassan District in consultation with the Swamigalu, I am to state that whenever it is found that there is inadequate representation through election of the members of the Jain Community in the Municipal Council, Government will have no objection to instruct the Deputy Commissioner, Hassan District, to consult the Swamigalu regarding the nomination of a Jain Member to the Municipal Council.

Yours faithfully,

Sd/- M Venkataramanappa,

Secretary to Government,
Development Department.

Memo No L 6111

Copy of the above is forwarded with compliments to the Deputy Commissioner, Hassan District for information.
